

In the complex there are 2 large conference halls and universal press-hall for 100 seats each, which are used for conferences, presentations, forums, seminars and press-conferences.

Excellent technical facilities allow the simultaneous translation into four languages at the same time, as well as provide professional management of all systems of the conference hall: video conferencing, demonstrations and presentations of films.

Thanks to the comfortable atmosphere, modern equipment on the world standards level, the newest engineering systems and telecommunications, an integrated approach to the service, your speech be always bright, expressive and memorable.
